

Getting Started On The Piano

(a Piano Pictures production)

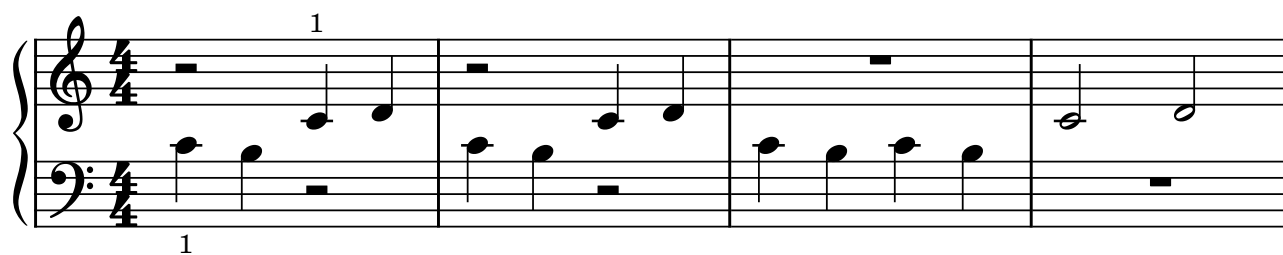

To find out how music notation works and how to find notes on the piano, first watch the video series **Piano Notation Basics** on YouTube's **animatedpiano.com tutorials** channel.

Tune With Three Notes (C D E)

2

This is a tune with just three notes, it's

5

just C D E, but that's O K with me.

Can A Bee See? (A B C)

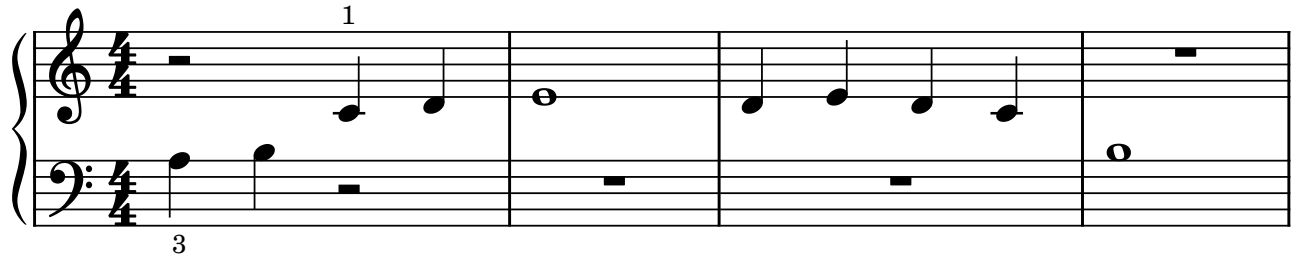

1

Can a bee see? Yes, a bee can see, but a

5

bee does - n't see the same way as you or me.

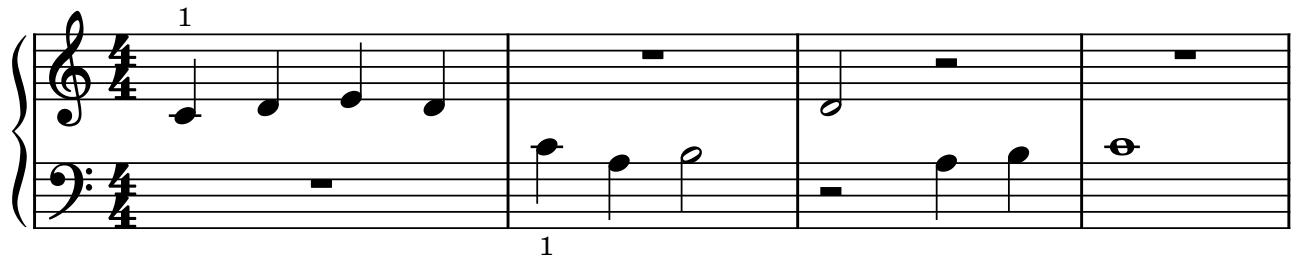

A B C D E Starts This Melody

A Little Prelude
